4 It will be seen from the above that a proposal somewhat similar in respect of this individual was turned down in Dec 1939 This is another attempt to give the same old increase of pay.

5 But Sanitary masters are being replaced by Asst Sanitary Inspectors on Local Bds Further, it is not clear whether a Sanitary Master could be entrusted with all such duties the Dir of P H might be consulted on this point.

Sir,

Subject -Revision of scale of pay of the Sanitary Maistry in the Goribidnur Minor Municipality

-.-

In forwarding herewith a copy of a resolution passed by the Minor Municipal Council of Goribidnur at their meeting held on 31-5-1941 to the effect that the scale of pay attached to the post of Sanitary Maistry in their Municipality may be revised from Rs 25/- to Rs.25-1-30/- per mensem the present incumbent, B Gopalaiah being given Rs 28/- in the revised grade, I have the honour to state that B Gopalaiah who was getting Rs 25/- from the past ten years was transferred as Sanitary Maistry in the Malur Municipality on Rs 25-1-30/- per mensem, in the interests of public service On receipt of orders of transfer, the Municipal Council of Goribidnur have, in view of the good work done by Gopalaiah in their Municipality since the past four years and of the many schemes of Town Improvement which they have undertaken, such as, improvement of drainage, lay out of an extension, construction of a Town Hall, etc , with which he has been well conversant, resolved to retain him in their Municipality by revising his scale of pay and giving him Rs 28/- in the new grade as a mark of encouragement for his good work

The Sanitary Maistry in this Municipality has been entrusted with supervision over octroi and mohatarfa collections in addition to supervision of sanitation and public works in the town and the official Gopalaiah has shown some improvement in collections as

P t -

as could be seen from the enclosed comparative statement of collections received from the President Besides the revision of scale as now proposed would facilitate transfers of officials both in the interests of public service and in the interests of the officials themselves who would otherwise have to stick to one place with no hope of change or promotion

In the circumstances, I request that Government may be pleased to sanction the resolution of the Municipal Council A proposition statement received from the President in this connection is also enclosed herein for kind perusal It is reported that a copy of the Government Order sanctioning the post of Sanitary Maistry on the present pay to the Goribidnur Municipality is not available in the Municipal Office I solicit the favour of early orders of Government in the matter

I have the honour to be
Sir,
Your most obedient servant,
